To Whom It May Concern,

We are writing this recommendation letter for Mr. **Hawre Nawzad Wahab** as a good Assistant Mechanic.

Mr. **Hawre Nawzad Wahab** has been working through Energy Logistics for Grey Wolf Drilling Limited Kurdistan as an Assistant Mechanic for two years. He has properly performed all the tasks related to his job position, proving excellent skills in repairing and maintaining the equipment.

His safety behavior regarding to the specific job in drilling rig has become a good example for the other employees. He has been available all the time for any kind of mechanical tasks and has never complained about difficulties. This attitude is a benefit for his professional carrier.

In short, we strongly recommend him as someone who can perform any assistant mechanic tasks in Drilling Rigs and Oil Field facilities.

Sincerely,

Sylvester Kalmar
