- .Communicate with all members of the drilling crew and other personnel
- .Supervisor to the drilling crew
- .Operate the draw-works, rotary equipment, pumps and supervise the assembly of drill string. Co-ordinate the work of the drilling crew and the drilling equipment.
- .Report to the drilling rig managers
- .Monitor the progress of the drilling operations and communicate with well site supervisors.
- .Keep a current record of drilling progress
- .Train crew members

NORTHERN OFFSHORE JANUARY 2014-PRESENT

(DRILLER) DRILLSHIP

- .Ensure that the drilling rig operations runs smooth, safe and efficiently
- .Organize, set up and dismantle the drilling rig
- .Ensure the crew understands procedures in event of emergencies
- .Communicate with all members of the drilling crew and other personnel
- .Supervisor to the drilling crew
- .Operate the draw-works, rotary equipment, pumps and supervise the assembly of drill string. Co-ordinate the work of the drilling crew and the drilling equipment.
- .Report to the drilling rig managers
- .Monitor the progress of the drilling operations and communicate with well site supervisors.
- .Keep a current record of drilling progress
- .Train crew members

ODERBRECHT OIL & GAS FEBUARY 2013- JANUARY 2014 (NOV CYBER CHAIR SYSTEM)

- \_.Ensure that the drilling rig operations runs smooth, safe and efficiently
- .Organize, set up and dismantle the drilling rig
- .Ensure the crew understands procedures in event of emergencies
- .Communicate with all members of the drilling crew and other personnel
- .Supervisor to the drilling crew
- .Operate the draw-works, rotary equipment, pumps and supervise the assembly of drill string.Co-ordinate the work of the drilling crew and the drilling equipment.
- .Report to the drilling rig managers
- .Monitor the progress of the drilling operations and communicate with well site supervisors.
- .Keep a current record of drilling progress
- .Train crew members

2012-2013 Worked the rigs in Alberta and a few international temp hitches to be home more as my daughter was born.

PETROSERV    DECEMBER 2010 – DECEMBER 2011

(DRILLER) DRILLSHIP (BRAZIL) AKER SOLUTIONS (MH) CYBER CHAIR SYSTEM

- .Ensure that the drilling rig operations runs smooth, safe and efficiently
- .Organize, set up and dismantle the drilling rig
- .Ensure the crew understands procedures in event of emergencies
- .Communicate with all members of the drilling crew and other personnel
- .Supervisor to the drilling crew
- .Operate the draw-works, rotary equipment, pumps and supervise the assembly of drill string.Co-ordinate the work of the drilling crew and the drilling equipment.
  
- .Report to the drilling rig managers
- .Monitor the progress of the drilling operations and communicate with well site supervisors.
- .Keep a current record of drilling progress
- .Train crew members

MARESK EXPLORER    September 2010-December 2010 (NOV CYBER SYSTEM)  
Temporary Position threw agency.

- .Ensure that the drilling rig operations runs smooth, safe and efficiently
- .Organize, set up and dismantle the drilling rig
- .Ensure the crew understands procedures in event of emergencies
- .Communicate with all members of the drilling crew and other personnel
- .Supervisor to the drilling crew

- .Operate the draw-works, rotary equipment, pumps and supervise the assembly of drill string.Co-ordinate the work of the drilling crew and the drilling equipment.

- .Report to the drilling rig managers
- .Monitor the progress of the drilling operations and communicate with well site supervisors.
- .Keep a current record of drilling progress
- .Train crew members

Transocean Internatioanal April 2010-September2010

DP Semi-Submersible Deepwater (Brazil)

Driller

- .Ensure that the drilling rig operations runs smooth, safe and efficiently
- .Organize, set up and dismantle the drilling rig
- .Ensure the crew understands procedures in event of emergencies
- .Communicate with all members of the drilling crew and other personnel
- .Supervisor to the drilling crew
- .Operate the draw-works, rotary equipment, pumps and supervise the assembly of drill string. Co-ordinate the work of the drilling crew and the drilling equipment.

- .Report to the drilling rig managers
- .Monitor the progress of the drilling operations and communicate with well site supervisors.
- .Keep a current record of drilling progress
- .Train crew members

Ensco Drilling Conventional Jack-up Malaysia March 2008 – March 2010

- .Ensure that the drilling rig operations runs smooth, safe and efficiently
- .Organize, set up and dismantle the drilling rig
- .Ensure the crew understands procedures in event of emergencies

- .Communicate with all members of the drilling crew and other personnel
- .Supervisor to the drilling crew
- .Operate the draw-works, rotary equipment, pumps and supervise the assembly of drill string.Co-ordinate the work of the drilling crew and the drilling equipment.
  
- .Report to the drilling rig managers
- .Monitor the progress of the drilling operations and communicate with well site supervisors.
- .Keep a current record of drilling progress
- .Train crew members

Keyera Gas Plant-Rimbey/Gilby 2009

.Worked on the Maintenance crew as a seasonal position in the Rimbey Plant as well as the Gilby Plant.

Nabors Drilling International- May 2007-December 2008

*Libya,Africa*

*Night Tool push*

- . Supervise the night drilling crew onshore in Libya
- . Worked with a Cyber chair rig

Nabors Drilling International - May 2007- December 2008

*Libya,Africa*

*Driller (Cyber Chair)*

- .Co-ordinate the work of the drilling crew and the drilling equipment.
- .Ensure that the drilling rig operations runs smooth, safe and efficiently
- .Organize, set up and dismantle the drilling rig
- .Ensure the crew understands procedures in event of emergencies
- .Communicate with all members of the drilling crew and other personnel
- .Supervisor to the drilling crew
- .Operate the draw-works, rotary equipment, pumps and supervise the assembly of drill string.
- .Report to the drilling rig managers
- .Monitor the progress of the drilling operations and communicate with well site supervisors.
- .Keep a current record of drilling progress
- .Train crew members.

Ensign Drilling- Nisku, AB- 2003-2007

Driller

- .Co-ordinate the work of the drilling crew and the drilling equipment.
- .Ensure that the drilling rig operations runs smooth, safe and efficiently
- .Organize, set up and dismantle the drilling rig
- .Ensure the crew understands procedures in event of emergencies
- .Communicate with all members of the drilling crew and other personnel
- .Supervisor to the drilling crew
- .Operate the draw-works, rotary equipment, pumps and supervise the assembly of drill string.
- .Report to the drilling rig managers
- .Monitor the progress of the drilling operations and communicate with well site supervisors.
- .Keep a current record of drilling progress
- .Train crew members.
